OPERATION PLAN INSTRUCTIONS

This form is used for reporting the planned logging schedule for the harvesting of export restricted timber. Completed forms are to be submitted to the Department of Revenue at the address listed on the reverse side, prior to the commencement of harvesting activities.

Contracting/Selling Agency: Enter the public agency offering the sale contract.

Sale Name: Enter sale name assigned by the selling agency (if applicable).

Expiration Date: Enter the contract expiration date.

Agency Contract Number: Enter the contract number assigned by the selling agency (if applicable).

DNR Region: For the Department of Natural Resources contracts, enter the DNR region name.

Forest Practices Permit Number: Enter Department of Natural Resources forest practices permit number corresponding to the sale (if applicable).

Purchaser/Company Name: Enter the name of the company holding the contract.

Operator: Enter the name of the company(s) performing the logging services.

Designated Representative: Enter the name of the person representing the operator.

Assigned Log Brand Description: Enter the log brand description.

Registered Log Brand Number: Enter the State Log Brand Registry identification number for the assigned log brand.

Road Building: Enter the dates you plan to begin and end construction of the logging roads.

Logging Schedule: Enter the dates you plan to begin and end the falling and bucking, and the yarding and hauling.

Production: Enter the number of loads per day you intend to haul off the logging site, once hauling starts.

Logging Method: Enter type of logging system used (shovel, cable, etc.).

Planned Disposition of Logs: Enter location, species, and volume (specify unit of measurement, mbf, tons, etc.) of where logs will be hauled to.

If you need further assistance, please call 1-800-548-8829.
